PERMISSION FORM

NOTE TO PARENTS & STUDENTS:
(Please Read Carefully)

(School Name) is arranging a trip for students to go to Lakeridge Resort to ski, snowboard, snowblade or snow tube. This signed form is required for all students who wish to participate in this snow sport education program. It should be understood that the purpose of the excursion is educational.

Inherent Risk

Skiing, snowboarding or snowtubing is a sport with physical demands, dangers, hazards and inherent risks which are beyond the control of Lakeridge Resort and (School Board), including but not limited to, boarding, riding and disembarking ski lifts; failure of ski lifts; changing weather conditions; variation or steepness in terrain; exposed rock, earth, ice, trees or other natural objects; the condition of snow or ice on or beneath the skiing surface; changes or variations in the skiing surface or subsurface, including changes due to man-made or artificial snow; impact with ski lift towers or snow making or snow grooming equipment or other structures of objects used in connection with skiing or ski racing; impact or collision with other skiers, failure to ski safely or within one's own ability or within designated areas; and the negligence of other skiers or riders. The risks, dangers and hazards referred to above exist throughout the Ski Area and many are unmarked. The back of this form includes an actual area ticket waiver, please read this carefully before giving your child permission to participate. Participants will assume the inherent risks of the sport. Following all rules and procedures can reduce the risk of injury. Failure to follow rules will result in the student losing their lift ticket and future resort privileges.

Equipment

Lakeridge Resort provides rental equipment. Bindings on equipment reduce the risk of injury when falling. The will not release under all circumstances and they do not guarantee safety in all cases. Parents must accept the responsibility for equipment that is lost or damaged (other than reasonable wear and tear). Bindings on snowboards and snowblades are NOT designed to release during falls.

Your Responsibility Code (see back of form) The Ontario Snow Resorts Association has produced a Responsibility Code that Lakeridge Resort, and (School Board) requires you to know & obey. Skiers/Snowboarders and snowbladers must always be in control and able to stop and change direction to avoid collisions with people or objects. Lakeridge Resort may revoke a ski ticket for violation of the code or other unacceptable conduct.
